MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE COUNCIL

SUBJECT: Nondisclosure Agreement for Sensitive Compartmented Information

REFERENCE: My Memorandum dated 30 August 1983 (NFIC/NFIB-9.1/67), Same Subject

1. Referent memorandum promulgated a revised nondisclosure agreement for access to Sensitive Compartmented Information (SCI).

2. Legislation is now in effect which precludes, before 15 April 1984, the use and enforcement of the SCI nondisclosure agreement promulgated by reference. This legislation does not affect the validity of the earlier SCI nondisclosure agreement (Form 4193 (12-81)), or other authorized SCI nondisclosure agreements which were in effect on or before 1 March 1983.

3. In accordance with advice from the Department of Justice, addressees are instructed to:

a. Cease using the nondisclosure agreement promulgated by reference as a prerequisite to SCI access upon receipt of this memorandum.

b. Use, until 15 April 1984, only Form 4193 (12-81), or other authorized nondisclosure agreements for SCI which were in effect on or before 1 March 1983, as a condition of access to SCI.

c. Cause all persons granted SCI access on or after 30 August 1983 who signed only the SCI nondisclosure agreement promulgated by reference to sign Form 4193 (12-81). Retain both forms pending further guidance.

4. The provisions of paragraph 3 of the referent memorandum as they relate to SCI remain in effect. Pending further guidance, the provisions of paragraph 4.b of Director of Central Intelligence Directive No. 1/14, effective 1 September 1983, shall be interpreted in accordance with this memorandum. Nothing in this memorandum affects the use of SF 189, the nondisclosure agreement for classified, non-SCI, material.

5. Questions on this guidance should be directed to the Chairman, DCI Security Committee
